GET YOUR BUSINESS ONLINE AND RECOGNIZED!

Mighty Q Designs specializes in promoting small business through Internet presence, attractive design, and effective branding. Mighty Q Designs caters to small businesses whose aim is to make their business identity and services known and available on the Internet. A business with web presence is miles ahead of its competitors who still struggle to advertise solely in pricey print publications.

Mighty Q Designs can create, publish, market, and maintain your website for a fraction of the annual cost of conventional published advertising. Based on client site reports, approximately 53% of potential new business is generated through their websites monthly.

Based on data from 3/18/08 to 4/17/08

If you would like more information about our services or just need some information to get you business started online, you may contact us by phone or email. We are happy to answer your questions and look forward to helping your business grow!
